MP to join face-to-face meeting between Rippingale villagers and PO Ltd

Update on our Press Release of yesterday (31.10.07)

Quentin Davies, MP for Stamford and Grantham is to join a private meeting between PO Ltd and villagers protesting about the proposed closure of their PO branch.

Friends of Rippingale Post Office arranged the face-to-face meeting for next Monday (November 5) as the next stage in their battle to persuade PO Ltd and Postwatch that the case for proposed closure was deeply flawed.

Mr Davies has publicly lent his support to only two groups protesting about closure plans of their local post offices – Rippingale is one of them.

Phil Rippingale (correct) for the Friends, said “Mr Davies’ presence will add strength and credibility to the case we shall be making to PO Ltd at Monday’s meeting.”

The Friends group is likely to include Phil Rippingale, Mike Hallas, John Warman, Jim Latham and Cllr. Martin Hill, Leader of Lincolnshire CC..
