PLANNING MATTERS:

Applications:

SKDC Housing Policy:

The committee's reply to the Interim Housing Policy Statement has been forwarded to SKDC.

Tim had received a copy of the Planning, Policy and Economic Regeneration and as this was a long document, Tim took the committee through the relevant points. He requested that the committee take a joint consultation regarding whatever reply should be made, the committee then considered these points as to what reply he should send to SKDC. Copies to be sent to the PC.

FUND-RAISING/PROJECTS:

Heather proposed a car rally/treasure hunt, the committee thought this was a good idea. John suggested that committee members should check their insurance policies, this will be discussed at the next meeting. The committee thought that another auction (this time held at the Village Hall) should be considered because of the large amount of money that could be raised.

SHELTER:

Heather showed the committee photographs of a shelter she had seen at Swarby near Sleaford. The committee thought the design could be incorporated in the shelter they hope to erect on the green. Phil is going to see the engineer Mr Carver, regarding prices and sizes of metal structures, as the committee thought that a stone and metal shelter would prove stronger.
